Welcome to **Let's Eat** an eclectic exhibit of the restaurants, diners, drive-ins and banquet spaces that drew and continue to welcome locals, tourists and the social in Clearwater, Florida. Some are no longer around but the memories live on. Other's continue to serve with the same experience enjoyed by generations. Some expanded internationally.

Let's Eat features photos, artifacts and stories of beloved favorites: Beachcomber; Capogna's Dugout; Frenchy's; Hooters; Lenny's and the Palm Pavilion. Newcomers will get a peek into an era when Chief Charley's, the Circus Cafeteria, the Kapok Tree Inn, Pelican, Siple's Garden Seat, Tio Pepe's and Young's Pit Bar-B-Que were the eateries of choice, for a meal or a special celebration.
